Description

This charming semi-detached house has been completely renovated from the shell up and will soon be fully ready to move into.

Everything inside has been renewed, including the kitchen, bathrooms, heating and technical installations. The house offers three bedrooms and two bathrooms, as well as a spacious, open-plan living area with plenty of natural light and a pleasant connection between the kitchen, dining area and living room.

Outside, the focus is equally on comfort and low maintenance. The small, secluded garden offers plenty of privacy and features a large terrace as well as a second, smaller terrace: enough outdoor space to relax and enjoy without requiring much upkeep.

A large basement provides plenty of additional storage space.

The house is located in a quiet cul-de-sac while remaining exceptionally well connected. The nearby N2 and E40 provide easy access to Brussels, Leuven and Brussels Airport.

A fully renovated home for those who enjoy peaceful living without compromising on accessibility.
