Description

Looking for a home that offers generous living space, a sunny outdoor area and a quiet location? Then this well-maintained split-level home is definitely worth a visit.

Situated in a pleasant residential neighbourhood within walking distance of the centre of Kortenberg, this property offers no fewer than four bedrooms, two of which feature a charming mezzanine level. Ideal for families looking for extra space for children, hobbies, a home office or guest accommodation.

At the rear of the property, you can enjoy a low-maintenance city garden with a spacious terrace and plenty of privacy. Large windows overlooking the garden flood the home with natural light, creating a bright and welcoming atmosphere throughout the day.

The property has been carefully maintained over the years and is presented in very good condition. A spacious garage provides additional storage space and secure parking for a car, bicycles or other belongings.

The layout is both practical and unique: the kitchen and dining area are located on the ground floor, while the living room is situated on the first floor. This allows the living area to benefit from more natural light, greater privacy and a pleasant place to relax.

The property is currently rented, making it an attractive opportunity for investors seeking an immediate rental return.
